If your application is successful, we'll email you an invoice for £8.50 - based on an ^{*} average car size - it helps enable the Show, where some charities raise donations. Ideally we'd prefer this paid by bank transfer to avoid fees, as we have free banking, but Paypal and Stripe (for credit cards) charge us fees. Will you be able to pay by Bank Transfer, or do you need Paypal or Credit/Debit Card, as we'll send slightly different invoices

- Bank Transfer (preferable)
- Credit/Debit Card (via stripe)
- Paypal

Photos of vehicle - these may be used on our website and in publicity etc
